Families First FEST

ABOUT THE EVENT

Families First FEST is a full day of community family fun designed for families to come together to play, explore, learn, and engage. Last year, **over 1,000 attendees** joined us for our inaugural event — and with your help, this year's event will be even better!

Families First FEST will feature kid-friendly activities such as face painting, a petting zoo, an arts and crafts corner using recyclable materials, interactive vendors, live entertainment, and access to community resources. Admission is open to all and free of charge.

ABOUT FAMILIES FIRST

For **more than 35 years**, Families First has been a leader in providing parenting programs across the Greater Boston area, and has recently expanded to Western Massachusetts.

Our vision is that **every parent** is strong and supported, **every community** benefits from the power of parents, and as a result, **every child** is thriving and resilient.
